Important – Please read this information carefully before you complete your request. Once you have completed your request we strongly advise that you keep a copy for your records.

#### Who should complete this request

Complete this request if you are seeking:

- your own international movements record(s) (where the request includes records after 1981);
- another person's international movements record(s) (where the request includes records after 1981) AND you have their written authorisation.

If you require movements records prior to 1981 please contact the National Australian Archives **www.naa.gov.au** 

## Proof of identity

All requests should attach a scanned colour copy or a certified copy of a photographic identity document, such as a passport or drivers licence. Certified copies are stamped as being true copies of the original by an authorised person.

An authorised person includes a solicitor, migration agent, Justice of the Peace or a Commonwealth Public Servant with 5 years service.

#### Can another person make a request on your behalf?

If you ask another person, such as a solicitor or migration agent to make a request on your behalf, you will need to provide written authority, by completing Part C, allowing that person to act on your behalf. The Department of Home Affairs (the Department) can contact that person about your request and send that person your documents.

If you change your solicitor or migration agent, it is important that you advise the Department. If you nominate a solicitor or migration agent to act on your behalf, the documents will be sent to that person.

#### Are you seeking information about another person?

To assist the Department in providing information about another person to you, you should seek that person's written consent at Part C. As the applicant your details will need to be provided at Part A, and Part B should be completed with details of the movement information you are seeking for the named person at Part C. Both parties must provide scanned colour copies or certified copies of the photographic identity.

#### Where to submit the request

Requests should be emailed to **request.movement@homeaffairs.gov.au** for records after 1981.

If you are living overseas, send it to the closest Australian mission. These offices will arrange for your request to be processed. For international movement records before 1981, please contact the National Australian Archives www.naa.gov.au

Please ensure all required documents are submitted with your request. See *Part E – Checklist.*
