## Refund request

Form

1424

### Am I eligible for a refund?

Refunds can only be paid in limited circumstances. A reference to these circumstances can be found at Questions 20–23 of this form.

Generally a refund request can only be made by the person shown as the 'payer' on the receipt. If you are not the original 'payer' and you wish to request a refund on their behalf, then Question 17 of this form must be completed.

### How do I request a refund?

Complete and sign this form. Prior to submitting this form for assessment you should ensure that you have filled out all of the necessary questions, signed and dated the declaration and attached all supporting documentation. If you do not complete all the required details, there may be a delay in receiving your refund, if deemed eligible.

### What supporting documentation do I need to provide?

- Clear and well supported reasons for requesting a refund. Attach any supporting documents or statements.
- A certified copy of the payer's death certificate, in the event that death occurred prior to an application decision. Supporting documentation of your relationship to the payer, such as a marriage certificate, birth certificate, letter of probate, certified copy of the payer's will nominating you as a beneficiary, or a completed/witnessed Statutory Declaration declaring that there is no payer letter of probate or will.
- If your application was lodged over the internet, a bank statement, clearly listing the name on the account and the payment, must be provided. Do not show credit card number on-line or via email.
- If your application was lodged at a counter or by mail, attach the original receipt. If you do not have the original receipt you must attach a Statutory Declaration, declaring that you have either lost or misplaced the receipt and that you have not used the receipt to lodge a further application.

### Where do I send the completed form?

Send the completed form and all supporting documentation to your nearest office of the Department of Home Affairs (the Department) for processing.

The address and/or contact details provided in this form will be used to seek additional information, where required.

### How long will the refund take?

There is no standard time for processing refund requests. Each claim must be individually assessed under relevant administrative or legislative authority.

### How will the refund be made?

If the refund request is successful, you will be paid the approved amount directly to the bank account used to make the original payment. The method of payment preferred by the Department is electronic funds transfer (EFT). Alternatively, depending on your location, the Department may make the refund by another payment method.

### Review rights

There is no right of merits review of the assessment when an application for a refund is declined.
